

2019 MIS Practice Procedure

1. Hourly rate for the track is \$100 per hour. MIS requires a 3 hour minimum or \$300.
2. Practice start time is 10 minutes prior to the scheduled start time and 15 minutes after the end of practice. Therefore a 2:00 to 5:00 practice would actually be 1:50 to 5:15. At 5:15 the practice crew and vehicles should be clear of the pit gate so that the facility can be secured. Anyone not clear of the gate will be charged the hourly rate until cleared past pit gate.
3. Cancellations within 4 hours of a 3 hour practice will be charged \$100. Cancellations of a practice 4 hours or more before the practice will not be charged.
4. No shows after 30 minutes, will be charged a fee of \$100.00. Exceptions will only be late arrivals that have notified MIS of a late arrival and arrives within an hour of the scheduled start time. Race team is responsible for payment of all scheduled time and any additional time.
5. All minor children must be accompanied by a parent focused on their care.
6. All waivers and fees will be signed and paid at Pit gate prior to entry.
7. All crew members will need to be signed in before Pit gate is secured. Gate will only be unlocked hourly. All others will be charged a fee. Example: gates locked after initial arrival, gates opened at the end of the first hour for 5 minutes and opened again at the end of practice when everyone is ready to leave or hourly if greater than 3 hours are scheduled. All other gate requests are \$5.00 each.
8. If greater than 4 race vehicles will be practicing, there will be an additional charge of \$25.00 per hour per race vehicle/race team up to a maximum of 7 race vehicles. "Only 3 race vehicles will be allowed on the speedway of the same class at any time during Private Practice". Example: 5 race vehicles and crew will be \$375.00 for 3 hours. 6 race vehicles and crew will be \$450.00 for 3 hours.
9. No consumption of alcoholic beverages allowed by anyone during private practices on MIS grounds. Violation will be termination of scheduled practice and no refunds!
10. Rental of the MIS Facility does not include a flag man or the use of the normal race signaling lights. Each driver will be responsible for the safety of others and cautious while on the track and respect for the stop and go signage at the pit exit to the speedway.
11. Rental of the MIS Facility does not include cleanup of your race team area, you will need to cleanup your area and dispose of garbage in approved containers.
12. Any need for additional time past the scheduled practice should be communicated with the on-site MIS representative prior to the end of scheduled practice to avoid scheduling conflicts or late fees charged! If approved, the fee will be due prior to the start of the additional requested time period.
13. Primary renter of MIS is responsible for all parties involved during your rental period. Any damages, excessive cleanup or destruction of property will be charged accordingly.
14. Race fuel and tires can be available during your practice with prior notice. Drinks are available at the pit area Coke machine.
15. No entry of anyone after scheduled practice time ends! Gate will be opened when everyone is ready to leave.
